

Probe into tot's death

AN INQUEST has opened into the death of a toddler who was killed when the family car rolled over her.

Ellie Perkins died of head injuries the day before her second birthday in the Virgin Islands, where lawyer dad Daniel, 32, works.

Mum Caroline, 33, from Hampshire, chased the car, which contained Ellie's baby brother, on March 9 as it started to roll backwards but could not stop it, a court in Basingstoke heard.

The inquest is adjourned until next month.

Idris Elba goes up against top boxer Rowan

Idris on the box

HARDMAN: As Luther

EXCLUSIVE by Sharon Feinstein

LUTHER star Idris Elba proves he's a real knockout by impressing top fighters with his boxing skills.

The Wire actor took a break from filming his scary Stephen King movie to jump in the ring at a gym. And trainer Rowan Katzewm reckons he could even carve a career in the sport.

"Idris told me he loves fighting," he said. "For a guy of 43, he's on top form. He jumped into my class and we were all very impressed. He has the potential to be a full-time fighter. He's a natural."

Rowan, who works at the Top Primate Academy in Cape Town, later tweeted he was "an awesome guy" who "packs a serious punch".

Idris is spending the next three months in South Africa filming *The Dark Tower*, where he plays a gunslinger squaring up to Matthew McConaughey.
